Point3D< T >

```
graph BT; P3D["Point3D< T >"] --> Printable; P3D --> Printable; P3D --> Printable;
```

The diagram illustrates a relationship between two classes. At the bottom is a gray rectangular box labeled "Point3D< T >". Above it is a white rectangular box labeled "Printable". Three dark blue arrows originate from the top edge of the "Point3D< T >" box and point upwards towards the bottom edge of the "Printable" box. The arrows are slightly curved, indicating a directed relationship or inheritance from the base class "Point3D< T >" to the derived class "Printable".
